BAYSWATER, 3153.

Dear Sir,

Since our inaugural use of your products in the water treatment of our boiler in December, 1985 we have experienced extreme satisfaction.

The Federal boiler inspector has complimented us on the lack of build-up and corrosion in our water tubes and valves.

We would not hesitate to recommend your service to any boiler operator.

Yours faithfully,
EVERON INDUSTRIAL LAUNDRIES PTY. LTD.

A. J. DEAN
MANAGING DIRECTOR.
